

A top-down view of gardening supplies on a light-colored surface. On the left, a black pot holds green grass-like plants, tied with twine. Next to it is a green three-pronged garden fork with a wooden handle. Behind the fork is a piece of brown cardboard with a small green plant growing from it. The background features geometric shapes: an orange triangle in the top left, a purple triangle in the bottom left, and a grey woven mat in the top right. A strip of artificial green grass is visible in the bottom right corner.
